Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to NOT support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will NOT keep the USF fair, thus NOT ensuring that consumers like me do not pay the same rate into the USF as big businesses, regardless of how little I may use long distance.

blah, blah, blah

This message brought to you by a PR lacky of the Bells!!! Who want VOIP to die, or at least the competition.

Do away with this fund, it is the most abused, and mismanaged (by you the FCC) fund EVER! The money is NOT being used for what it was intended, and is a BAD idea all together!

Sincerely,

Rick Hardy
